

Science Double Award: Chemistry

Topics to Revise

- C2.1 Metals and the reactivity series
- C2.2 Redox, rusting and Iron
- C2.3 Rates of Reaction
- C2.4 Equilibrium
- C2.5 Organic Chemistry
- C2.6 Quantitative Chemistry
- C2.7 Electrochemistry
- C2.8 Energy Changes in Chemistry
- C2.9 Gas Chemistry

Examination Board: CCEA

Examination Papers & Date of Exams

Unit C2: Foundation Tier and Higher Tier (1 hour 15 minutes) – Friday 13th June (9.15 – 10.30)

Unit 7: Practical Skills Part B (30 min) – Friday 13th June (10.45 – 11.15)

Past papers and mark schemes (answers) can be found on the CCEA website

School Revision Resources

Chemistry Revision Timetable Booklet

Past Papers for the last five years

Chemistry Revision notes (CCEA Fact Files and personal notes)

After school revision classes

Intensive revision session before the exam
